Re: Request for Information from Annual Appropriation Committee Hearing

ID#: 84-04 42nd Ward Vaulted Sidewalk Program

The attached information is in response to questions posed at our department's hearing on Friday, October 26, 2018 to discuss the proposed 2019 budget.

Alderman Reilly asked for data related to the Vaulted Sidewalks Program in the 42nd Ward for the previous 12 months. Specifically, the Alderman asked for,

1. the number of permits issued;
2. the number of citations for damages issued;
3. the number of vault repairs;
4. the number of vacated vaults; and
5. the schedule of fines for the citations related to vaulted sidewalks.

Response

1. Vaulted Sidewalk permitting data is maintained in the IRIS database and managed by the Department of Business Affairs and Consumer Protection (BACP). Since October 2017, BACP has issued 26 vault permits in the 42nd Ward.¹ Of the permits issued, 16, or 61.5%,

¹ The data contains both "sidewalk vault" and "vault" permit types. According to BACP, these terms were used to signify different structures, but are now used interchangeably.

are associated with more than one address. For example, permit 1119584, which was issued on May 30, 2018 to the owners of the building at 209 W. Jackson Blvd., covers the sidewalk vaults along S. Wells St. and W. Jackson Blvd. In total, there are 46 distinct addresses associated with the 26 vault permits. See Appendix A for data table.

2. CDOT Public Right of Way inspectors can issue citations against vault owners under MCC §§ [10-28-530](#), [10-28-540](#), and [10-28-575](#) (see response number five below for the citation fee schedule). Since October 2017, CDOT has issued nine citations to property owners in the 42nd Ward for non-compliance with MCC 10-28-540.² See Appendix B for data table.
3. Regarding repairs of vaulted sidewalks (see Appendix C for data table),
 - a. CDOT In House Construction completed seven repairs of vaulted sidewalks in the 42nd Ward in 2018; and
 - b. CDOT In House Construction plans to complete an additional 34 repairs of vaulted sidewalks in the 42nd Ward in 2018.
4. CDOT does not collect data on the number of vacated sidewalk vaults.
5. Per MCC § [10-28-990](#), vaulted sidewalk owners who are not in compliance with the Ordinance sections described above “shall be fined not more than \$50.00 for each offense.”

As always, please let me know if you have any further questions

² The citation data does not describe the details of the violation. Thus, it is not clear if the citation was issued due to a vault issue or a sidewalk issue.
